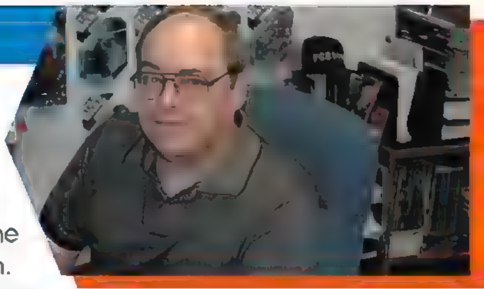
PREVIEWS FROM THE EDITOR



SUMMER'S HERE... SO BACK THE COMEBACK, WHY DON'T YA?!

Hello friends. As I write this, the Covid-19 pandemic continues to pose a threat to anyone who draws breath. Everyone is either frightened to go outside, or so stir crazy from being indoors, that they're ready to run outside and do... *anything.* And many states have begun to loosen their rules regarding how we should proceed into this new world, which is still vulnerable to a virus that has not yet been eradicated, let alone been brought under control.

One good thing to come from the states reopening is that the Comic Shops have begun to reopen as well. Diamond has begun shipping new product to those stores and while things are not back to normal yet, it is a step in the right direction. Last weekend I visited my favorite shop for the first time in over two months — *Cards, Comics & Collectibles* in Reisterstown, Maryland — and it was like going home. My friend for many years, Marc Nathan (sporting an impressive "pandemic beard"), welcomed me back to his shop, and his wife Shelly and kids Reese and Natalie, were all in attendance. And the shop's staff Chuck "The Birdman" Fitzsimmons and Alex "Father Christmas" Campbell were there too. Good guys, and dudes I'm happy to call friends.

Going back to the comics shop felt like a magnificent comeback. The people, the product, the conversations. We've all been away from our nerd homes, our clubhouses, our Halls of Justice.... for way too long. It's time to BACK THE COMEBACK.

Comic shops are opening up around the country and around the world, and they need YOU to return. Things are going to be a little different, no doubt, but what better place is there to wear a mask than in a comic book shop... filled with comic books featuring masked characters?

If you're excited about your local comic shop opening up again, why not go to BACKTHECOMEBACK.com to help spread the word! While there, you can order an exclusive t-shirt and register to take part in our charity auction this month, whose proceeds will go to support local retailers at the heart of our industry.

OUR
COMEBACK
WILL BE
BIGGER
THAN OUR SETBACK!

Summer's here, and now more than ever, your local comic shop is waiting for you... What are you waiting for?! Get going!

Your Pal @ ***PREVIEWS,***

Elongated Man Stretches Across 60 Years

Elongated Man, the plucky detective who can stretch to great lengths and shapes, has reached his 60th anniversary in comics. A creation of John Broome and Carmine Infantino with input by editor Julius Schwartz, the Elongated Man/Ralph Dibny was introduced in *The Flash* #112 (May 1960).

When he was a teenager, Ralph was fascinated with contortionists, impressed by their agility. Wanting to emulate them, he learned that they drank a soda called Gingold, containing gingo, a rare fruit that most people were allergic to, but gave some elastic skin and limbs. Using gingo, he developed a concentrated extract that gave him his elasticity. Using his new abilities, Ralph became the Elongated Man and started catching criminals.

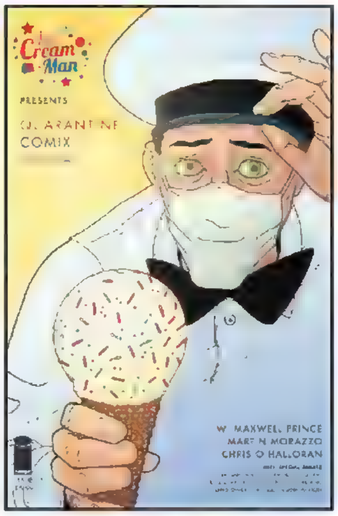
Please tell us a bit about yourself!

I'm a writer based in Brooklyn. When I'm not writing, I make charts of things. I'm trying to be a better woodworker and to also learn how to braid my daughter's hair. Both require a level of skill that so far eludes me!

What are your favorite projects you've contributed to over the past decade?

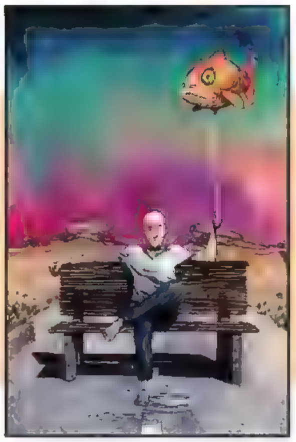
I'm particularly proud of our *Quarantine Comix* collection coming out this September, which collects all of the *Ice Cream Man* mini-stories we published online during the industry shutdown. Half of the proceeds of the digital stories went to charity to help comic shops, and so do half the proceeds of this floppy version. (I think we can all agree that we prefer a floppy comic to a PDF!)

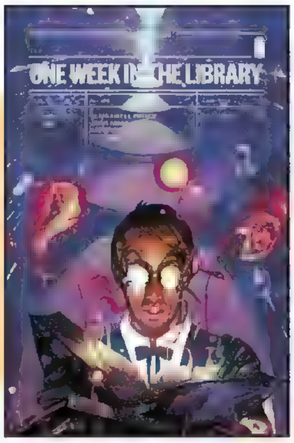


What are you currently working on?

We're continuing to unnerve folks with more *Ice Cream Man* this fall. Plus, look out for an announcement about something clown-related from Image very soon...

Ice Cream Man





ONE WEEK IN THE LIBRARY

What fun titles are you reading?

November Volume 1 by Matt Fraction and Elsa Charretier (JUL190077)—Golly, what a book! Every person involved is doing work at the very tippy top of their craft. It's not technically "horror," I don't think, but there's a real sense of the *horrific* here, as The Man at the Center looms darkly... not unlike a certain ice cream vendor.

Infidel by Pornsak Pichetshote and Aaron Campbell (JUL180148)—A haunted house story with a socially relevant (both now and always) hook. One gets the sense that Pornsak has studied closely what makes a horror book really tick. And Aaron's lines make my stomach uneasy.

This ain't new, but I'm currently knee-deep in my yearly reread of Neil Gaiman's *Sandman* (JUL180774). It's the guiding star for all my comics writing, and proof that you can (sort of selfishly) pursue your own storytelling interests while also creating something with a lot of generous life!

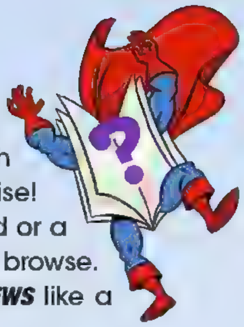
Learn How to Use *PREVIEWS* to Order From Your Comic Shop!

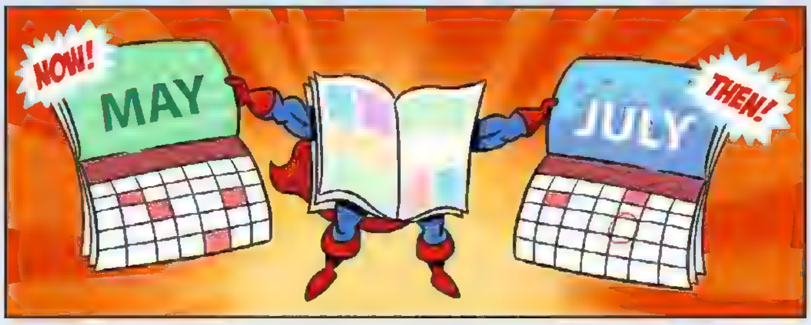
USER'S GUIDE



There's *a lot* of awesome comics and products to look through in ***PREVIEWS***. "A lot" might be a bit of an understatement, as each month's catalog is filled with hundreds and *hundreds* of pages of upcoming comics and related merchandise! It can be easy to accidentally overlook a new series you've been dying to read or a figure you've been pining to add to your shelf when there's so many things to browse. That's why we've put together this guide to help you learn how to use ***PREVIEWS*** like a pro to order the awesome titles and products you want!

WHAT EXACTLY IS *PREVIEWS*?

PREVIEWS is part catalog, part magazine (we call it a *Mag-a-log!*) of monthly listings of all of the upcoming comic titles and related products from your favorite publishers and manufacturers in one convenient place. And don't worry—***PREVIEWS*** is organized by publisher and product type (and color-coded to boot!), to make it easy to find and flip to the section or items you're looking for. Each item listing has the information you need, such as format, size, page count, price, release date, stock or item code, and descriptive text, and nearly every listing is accompanied by artwork or images.



NOW!
MAY
JULY
THEN!

The most important aspect of ***PREVIEWS*** to remember is that **items solicited in the catalog are anticipated to ship 2-3 months later (or more)**. For example, if you found a comic you wanted in the **May** issue of ***PREVIEWS***, you can expect to see it turn up in your local comic shop in **July**. The catalog can be a great resource for figuring out where your favorite comic series is going, or for discovering new ones that you'll want to add to your library—not to mention all the other awesome products!

HOW DO I ORDER FROM *PREVIEWS*?

When you've picked out all of the items you want, you can fill out the **Short Order Form** included in your copy of ***PREVIEWS*** and submit it to your local comic shop. You can also ask your friendly neighborhood retailer about obtaining a **Customer Order Form**, a booklet that contains a complete listing of all the items made available for that month. These forms make pre-ordering your comics and products a breeze and can help your local comic shop decide what to stock in the store for other customers, too! Be sure to also ask your retailer about their **pullbox or subscription service**. Once you've submitted your order, you can sit back and relax, or try to contain your excitement until your comics and merchandise arrive!

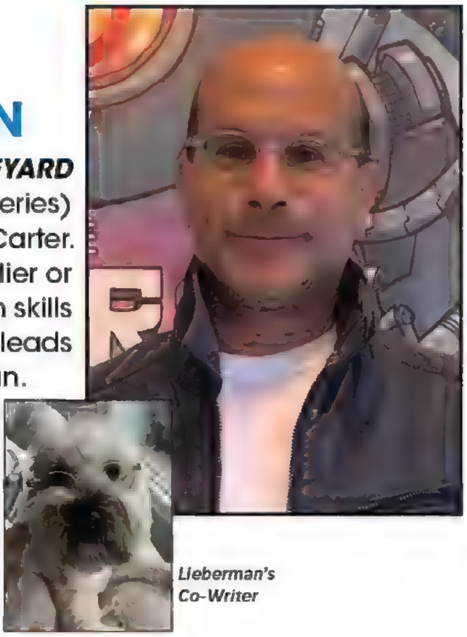
HALLOWEEN IN JULY: INTERVIEW with *GRAVEYARD WARS* WRITER, AJ LIEBERMAN

Arriving in late September (just in time for Halloween in October!), ***GRAVEYARD WARS*** from Ablaze is a new graphic novel series (and an upcoming TV series) following the Noble family, especially Ethan Noble and his twin sister Carter. Ethan can tap into the skillsets of long-dead individuals, be it a chef, a soldier or scientist. The skills soon go away, but there are so many who have died, with skills and abilities that the Noble siblings can use to uncover a web of lies which leads them to the death of their mother… and to their estranged father, Sebastian.



Lieberman's Co-Writer

PREVIEWS: *How did* ***GRAVEYARD WARS*** *come about as a project?*

AJ Lieberman: If you mix the right amount of prescription antihistamines with large doses of Red Bull, you'd be amazed at what you can come up with! Also, I have a fascination with people who are convinced they can communicate with the dead - clairvoyants, spiritualists, mediums – there's a lot of showmanship with most, but a few are seemingly genuine. The leap I made was wondering what connected the ones that did seem to have some kind of… *extra* connection to the dead and, for me, the answer was: *near death experiences.*

PREVIEWS: *How did Chad Stahelski,* ***John Wick*** *franchise director, and his company 87Eleven, get involved with the book as executive producers?*

AJ Lieberman: It's amazing, right? An absolute dream. Chad was, a while back, attached to the feature version of one of my other books (*COWBOY, NINJA, VIKING*). Through that relationship I got Chad a preview of ***GRAVEYARD WARS***. It's really the perfect merging of story and a director's sensibility/talent.

PREVIEWS: *In terms of audience, who is* ***GRAVEYARD WARS*** *for? What age range do you see this appealing most to?*

AJ Lieberman: Let's forget age for a moment. (***Graveyard Wars*** is rated "Teen".~Editor) It's really for anyone who likes dark stories; stories that involve family betrayals and secrets (that literally aren't revealed until the last page of the book).

It's for anyone who likes broken heroes who can see the right thing to do but are unable to choose them…

It's also for anyone who *LOVES ACTION*… but action like it's never been seen before. Because of the ability of these characters to access the skills of the dead, a fight between two people is really a fight between those two people and all the different fighters/killers they grab while fighting — so what a reader sees is the two fighters "ghosted" with two "soul skills". The pages can get crowded as they grab and discard skills…

Which brings me to the art. If you're a reader who puts art before story, then we got you covered there as well! Andrew Sebastian Kwan *KICKED ASS* doing the all of the action sequences, but also brought the drama between the twin siblings into poignant focus.

PREVIEWS: You chose to do this in spot-color, instead of full-color. Why? What went into your decision to do so?

AJ Lieberman: Two factors — *story and art* – Andrew had fully colored a few pages but something just felt off about this type of story rendered in such "real life" detail – the thought was that we wanted a much more muted approach to the story and once Darren and Andrew came up with the color design, and I thought it was perfect with Andrew's art!

SWORDS WILL BE DRAWN IN MARVEL COMICS' X-MEN CROSSOVER

As the mutant island of Krakoa faces destruction by a powerful foe, ten swords hold the key to the survival of mutantkind as 2020's mutant crossover *X of Swords* begins this September in Marvel Comics' *X of Swords: Creation* #1 from Jonathan Hickman and Pepe Larraz.

Threatened by a powerful and new foe, the mutant civilization on Krakoa has one chance to survive – ten mystical swords, some known, some unknown – for ten mutants to wield. Who will wield them? What powers do the swords confer? What do they mean for the future of the X-Men? And who will survive the chaos and bloodshed that will ensue?

Spearheaded by Hickman (*X-Men*) and Tini Howard (*Excalibur*), the *X of Swords* crossover is the next chapter in Hickman's vision for Marvel's mutants. Hickman reteams with his *House of X* collaborator Pepe Larraz for the opening chapter of the crossover, drawing together threads from recent issues of *X-Men* and *Excalibur* for an action-packed, character-driven epic that will captivate long-time *X-Men* readers and draw in new readers!

A year in the making, *X of Swords* is a story no Marvel fan will want to miss, and it begins this September in Hickman and Larraz's *X of Swords: Creation* #1!

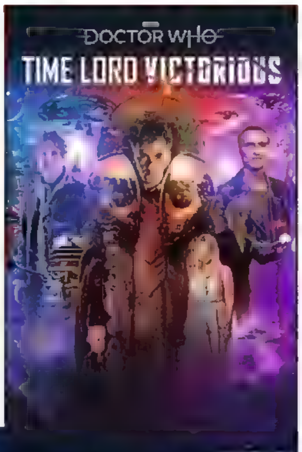
A new ongoing series from Skybound, *Stillwater* opens the door on one mysterious town's secrets, the darkness that dwells there, and those who toil and suffer in its wake. THE DOCTOR'S DEADLIEST ENEMY, THE DALEKS, MAKE THEIR TITAN COMICS DEBUT!

DOCTOR WHO
TIME LORD VICTORIOUS

A THRILLING NEW ADVENTURE FOR THE TENTH DOCTOR (AS PLAYED BY FAN-FAVORITE DAVID TENNANT) THAT SEES THE SHOCKING RETURN OF HIS DEADLIEST ENEMY: THE DALEKS! BUT THINGS AREN'T WHAT THEY SEEM - TIME IS ALL WRONG, AND SOMETHING IS COMING THAT TERRIFIES EVEN THE DALEKS...

*The first of two issues kicking off the BBC's highly anticipated multi-platform Doctor Who epic, TIME LORD VICTORIOUS! Written by Eisner-nominated Jody Houser (STRANGER THINGS). We caught up with series editor **JAKE DEVINE** and BBC series producer **JAMES GOSS** to find out what to expect from this new series.*
ISSUE #1 – On Sale September 2nd.



As a massive Whovian, I'm really excited about this new *Time Lord Victorious* series. For fans who may not remember, can you remind us what this title signifies?

J.D: 'Time Lord Victorious' comes from the title the Tenth Doctor gave himself in the 'Waters of Mars' TV episode when he starts to play a bit fast and loose with his interference in the universe and changing events. Here we get to see exactly what the consequences are of him going one step too far.

What is it like exploring this period in the Doctor's story when fans saw a darker side of Ten?

J.D: Ten has always had a bit of a dark-side from struggling with the apparent genocide of his people, and I think that's what fans are drawn to – the internal struggle inside to keep going on and helping others.

And this is not just something that Titan Comics are a part of but is a multi-platform event involving many Doctor Who publishers. What's it like having these stories take place across audiobooks, novels and comics?

J.G: The whole thing is epic but also epically simple. Each partner tells a self-contained story that forms part of a patchwork quilt. If you just want to read Titan's Tenth Doctor comic, then you can - it will make total sense. But hopefully you'll be inspired to see where the story is picked up in the audio dramas or the books, or take another path entirely.

These stories feature multiple different doctors interacting with each other. Although they all have their own unique quirks and personalities, what do you think is the link that connects these different iterations?

J.D: For me, it's the drive, not only to do good, but to be a part of something greater than themselves. And by doing good, and making a difference in people's lives throughout the universe, they become a part of every person they help. It's that legacy that defines the Doctor.

J.G: The fundamental characteristic of the Doctor is that they're all kind people. Even when the Tenth Doctor goes too far, it's out of kindness. He really, really wants to do something good, and gets so wrapped up in that, that he loses sight of himself for a moment. It's great that he's being challenged by two former selves with Paul McGann's Eighth Doctor and Christopher Eccleston's Ninth Doctor.

What is it about this epic storyline that you think will excite fans the most?

J.D: It's something that's never been done before. There's something for everyone. This isn't just another rehash of the Doctor vs the Daleks for the hundredth time - it's new enemies, a new era, and a brand new way of experiencing Doctor Who.
J.G: It's been designed to be FUN. Each strand of it puts entertainment first. There are space battles and assassins and vampires and decisions that crack the universe open. The Titan Comic alone features the Daleks at their most cunning and most vicious. Every Doctor Who fan wants to share how brilliant the show is with a friend - and hopefully Time Lord Victorious will allow them to do that endlessly.

ICE CREAM MAN PRESENTS: QUARANTINE COMIX SPECIAL #1

SEPTEMBER 9 | 56 PAGES | FC | M | $5.99

HORROR

In the early days of the pandemic, the team behind **ICE CREAM MAN** launched an online-only series of mini-comics set in the **ICM** universe. The project was called, predictably, **QUARANTINE COMIX**. These strange little ditties were meant to tide folks over while the industry was on pause—and also raise money for struggling comic shops, with 50 percent of all proceeds donated to Comicbook United Fund/BINC.

Now, collected in everyone's preferred format (a floppy comic book!) are all six issues of **QUARANTINE COMIX**, featuring brand-new cover art and bonus stories by guest creators.

And, as before, 50 percent of creator profits will go to Comicbook United to help stores get back on their feet—because comic shops are sweet.

If you like the eerie and episodic *Twilight Zone* and the chilling *Tales From the Crypt*, you'll love **ICE CREAM MAN PRESENTS: QUARANTINE COMIX SPECIAL**.

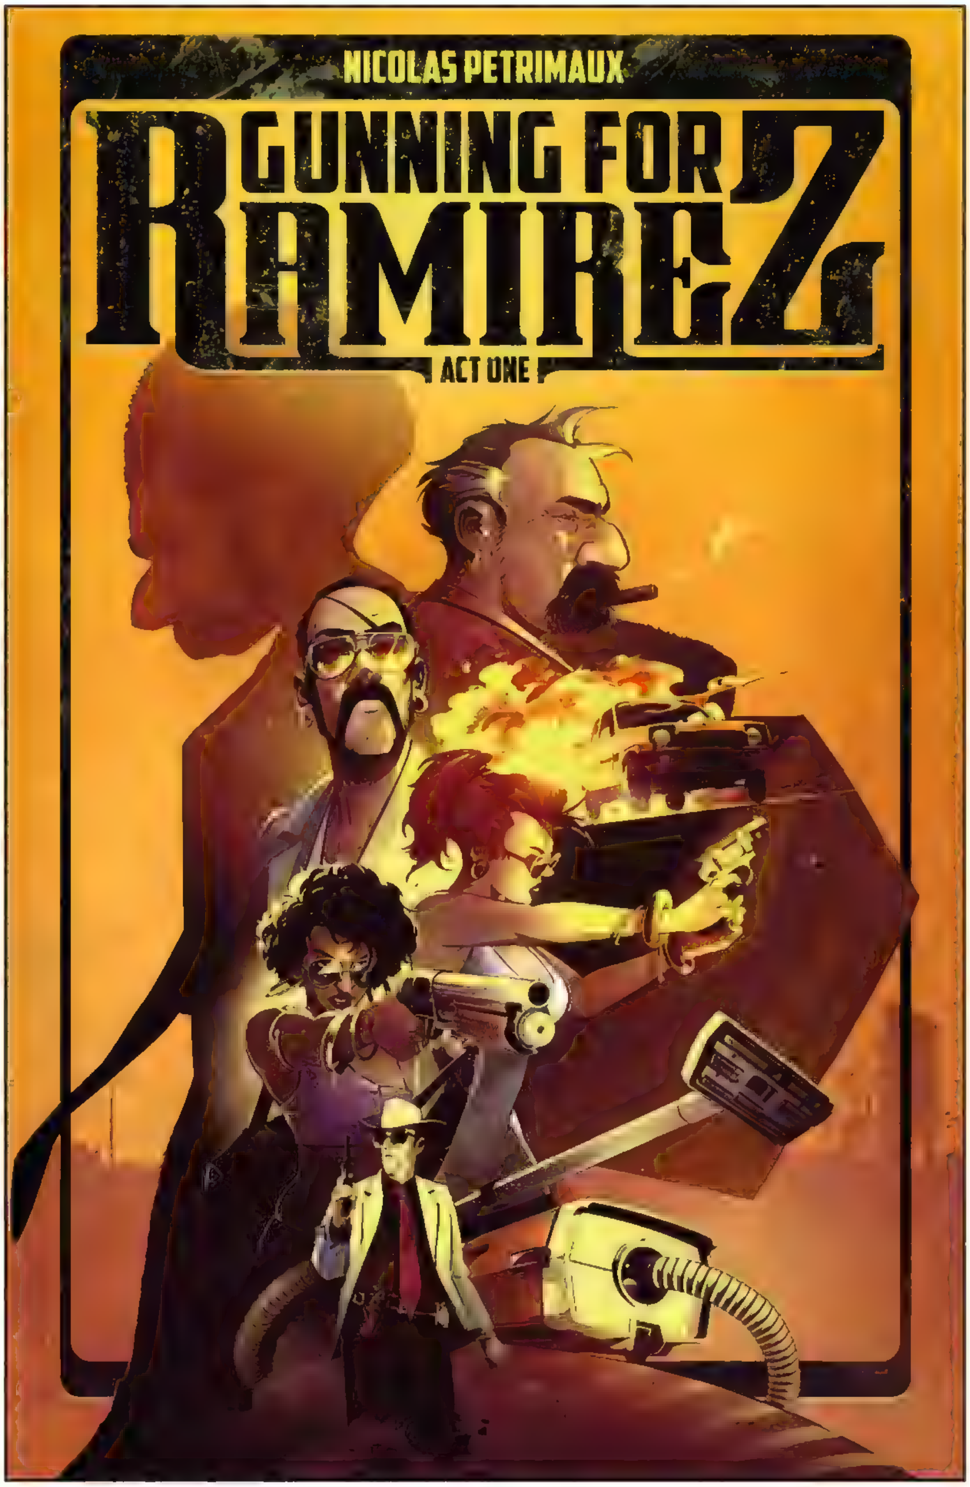
SEPTEMBER 30 | 144 PAGES | FC | M | $16.99

ACTION & ADVENTURE



What if the deadliest assassin in all of Mexico, a man with dozens of kills to his name, was actually a vacuum repairman in Arizona?

Falcon City, Arizona. Jacques Ramirez works at Robotop, the leading home appliance company in the Southwest United States. Jacques is efficient, thorough, and discreet. That last one is easy: he's also mute. But everything changes when two members of one of Paso del Rio's largest drug cartels stumble upon Jacques and believe him to be the deadly hitman who betrayed them in the past: the ruthless Ramirez.

Could it be that the cartel's legendary clean-up man is really a legendary vacuum cleaner expert?

NICOLAS PETRIMAUX presents the first in a trilogy—a tribute to the action thrillers of the 1980s and '90s, a brutal narrative with never a dull moment. **GUNNING FOR RAMIREZ** is as much a descendant of Friedkin's ***To Live and Die in L.A.*** as it is Tarantino's ***Pulp Fiction*** or Rodriguez's ***Mexico Trilogy***.

If you like the action-packed plotting of *Scarface* and the unexpected character arcs of Netflix's *Ozark*, you'll love GUNNING FOR RAMIREZ.

But the moment she steps foot on Troll lands, she's thrown into a jail cell, where she discovers her amnesiac ex-fiancé is set to wed the Troll Queen's daughter. Using all of her wits, she must convince the princess to turn against her own mother, or else face execution on the day of the wedding—and doom the kingdom to remain cursed forever.

$3.99	Miniseries

Dr. Queen, scientist extraordinaire, is on the cutting edge of technology, industry, and—with the help of her telepathically controlled super car—terrorist butt kicking.

But when things go south in her attempt to take down a hacking supervillain's diabolical plans, Queen finds that the lines between truth and fiction are blurred, and she's drafted into a war to save reality itself.

"BANG! is a fun, twisty spy thriller with a great meta-twist."

SECRETS OF THE SWAMP

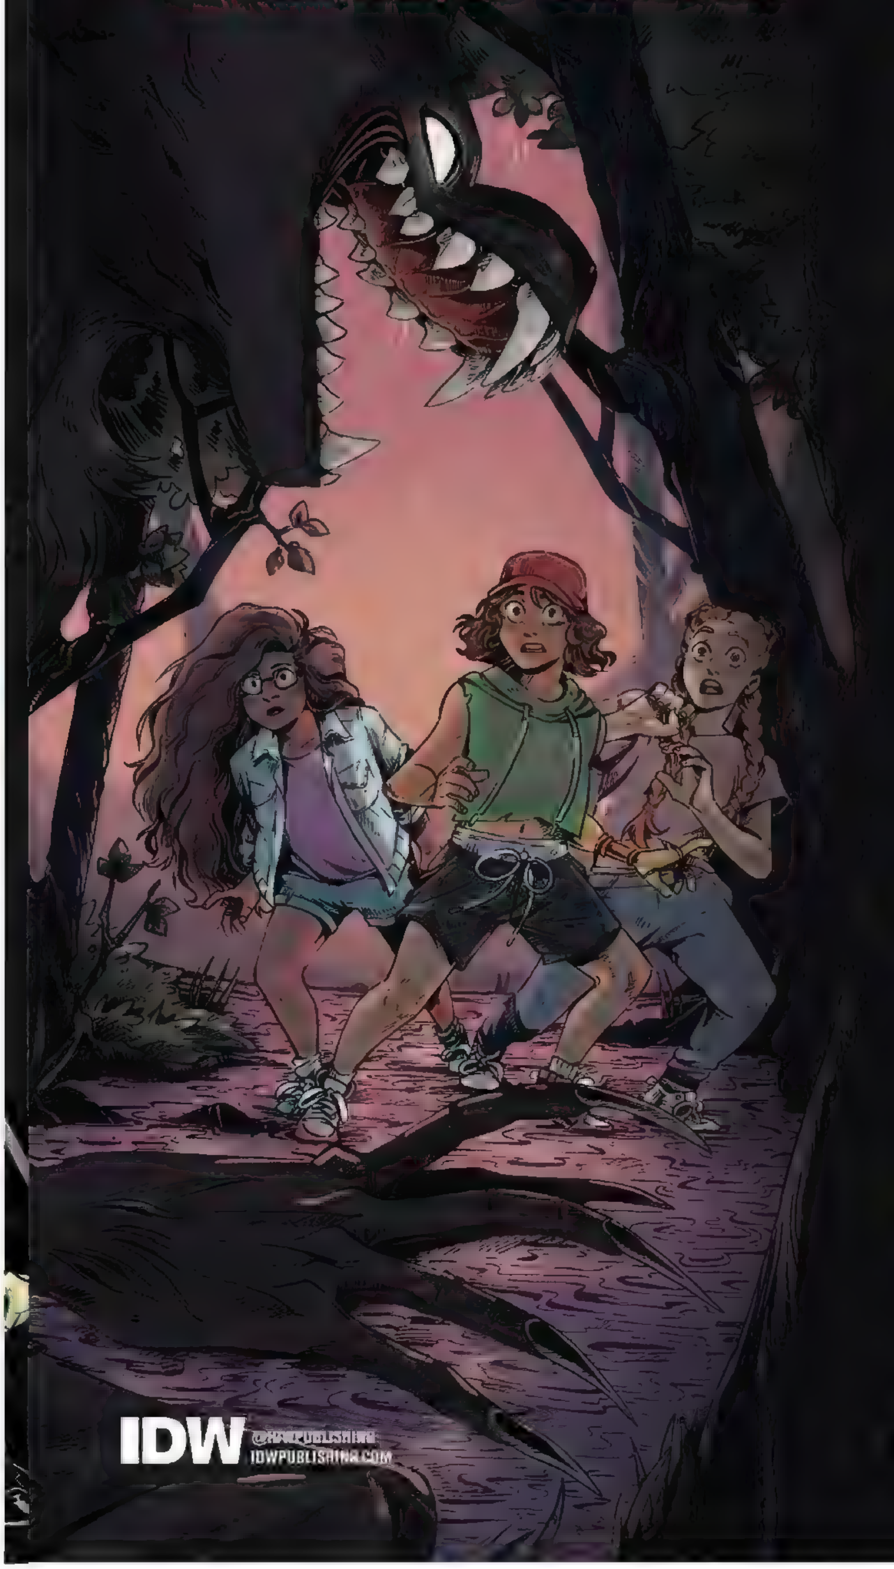
Getting to know Marieke Nijkamp—writer of the new *Goosebumps* graphic novel, *The Secret of the Swamp*

What could possibly scare a horror writer?



IDW
@IDWPUBLISHING
IDWPUBLISHING.COM

First, could you give us a short intro about yourself?
I'm Marieke, I'm a writer of children's and YA books. I'm a nonbinary type person, an avid gamer (videogames and TTRPGs), and a geek of all sorts.

What is one thing you did in the last 7 days that has surprised you?
Um, I mean, I've been self-quarantining, which is definitely not something I expected to do! But that's neither particularly surprising or, necessarily, fun. I am using the time to build a cult following of crows in my backyard, so there's that.

What is the first horror book you ever read?
It's either a *Goosebumps* book (and in that case, most likely *The Haunted Mask*, I think?) or *Groosham Grange*. I very vividly remember the foil letters on the covers of my *Goosebumps* books... and the fact that I never read any of them at night.

Name one thing that scares you.
Spiders. Especially the ones that are thick, hairy, and fast.

If you could tell young readers anything right now, what would it be?
You deserve to have books and stories that make you feel like you belong. Find the books and stories that make you feel like you can be the hero.

Can you tell us about this book?
Secrets of the Swamp follows twelve-year-old Blake, who is forced to spend the summer in Fever Swamp with her weird aunt. If it was up to her, she'd lock herself in her room and play her favorite videogame all day long. But there are strange sounds coming from the swamp at night, and there are secrets in the town around her.

Oh, and there are werewolves, of course.

Which character is your favorite in this story and why?
Hm, I like all the girls in the story for different reasons, but as an answer, that's a bit of a copout, isn't it? I adore Blake. I love how fierce and brave she is. I love how much she enjoys gaming, because I'm a gamer too. And I love that she always looks for solutions and she never says no when someone asks for help.

What are some of your recommendations for a perfect day spent at home?
Well, for me it's writing books! But recommendations for off time? Baking cakes and cookies and cupcakes as gaming food and then spending the rest of the day actually gaming.

A page-turning, Kafkaesque dark comedy in brilliant retro style, this graphic novel watches one man try to keep it together while everything falls apart.

Upon the publication of his latest novel, G. H. Fretwell, a minor English writer, embarks on a book tour to promote it. Nothing is going according to plan, and his trip gradually turns into a nightmare. But now the police want to ask him some questions about a mysterious disappearance, and it seems that Fretwell's troubles are only just beginning…

In his first book for adults in many years, acclaimed cartoonist **Andi Watson** evokes all the anxieties felt by every writer and compresses them into a comedic gem of a book. Witty, surreal, and sharply observant, *The Book Tour* offers a captivating lesson in letting go.

What do you want to learn about? Take your pick in this anthology combining the unprecedented approach of a "how to" book with the diverse subject matter from over 100 contributors sharing their hidden talents via one-page, nine-panel comics!

Includes entries from a variety of comics creatives including John Allison, Kelly Sue DeConnick, Becky Cloonan, Sanford Greene, Paul Pope, Gail Simone, Mark Buckingham, Box Brown, Gilbert Hernandez, Jill Thompson, Chynna Clugston Flores, and more.

Each story is part personal "how to," part "how-so." Some of these one-pagers will illuminate aspects of the comic book storytelling process like drawing likenesses, lettering, and cropping art panels. Others go beyond the comics world from the practical (catching a loose dog, changing a tire, speaking in public), to the fun (creating cheap horror makeup, skanking at a ska show, faking a guitar solo), to the peculiar (destroying the Internet, training your doppelgänger, surviving a bear attack--probably).

All-star creators from South Africa, South America, North America, England, India, and other parts of the world share their favorite recipes, traditions, and talents in this fun, educational anthology. Learn new skills or hone the ones you've got.

Bonus features include a brand-new story, "How to Wash Your Hands," an introduction by Kelly Sue DeConnick and an essay about the traditional 9-panel grid by Jim Rugg.

VOLUME 29:

DAILIES & SUNDAYS

This volume completes the iconic comics written and drawn by Chester Gould.

After 46 years, 2 months, and 21 days writing and drawing Dick Tracy Chester Gould retired at the age of 77. In these historic final strips, Gould pits his dynamic detective against the latest in a long line of grotesque villains. Tracy, meanwhile, takes his law and order campaign to television where his past catches up to him. A criminal he helped convict 20 years ago is back, and he's put Tracy on his kill list. To round out this volume, the squad room is kept busy with two members of B.O. Plenty's extended family, Perfume Plenty and her larcenous cousin Dade, who are anything but law abiding. All this and more in the ultimate volume of Chester Gould's Dick Tracy, a collection of strips from March 15, 1976 to December 25, 1977.

The series is ripe to introduce to crime prose readers who haven't previously ventured into comics.

TV SERIES TO BE EXEC PRODUCED BY *JOHN WICK* FRANCHISE DIRECTOR CHAD STAHELSKI!

There are those among us, all of whom have had near death experiences, who now have an ability called a Soul-Skill which allows them access to the skill-sets of the dead; fighter, mechanic, sniper. Anything. This ability connects them in this realm to the soul, and its skill, in the next. Pilot. Hacker. Assassin. Anything. While not everyone who touches death is able to retain this ability those who do have formed two warring guilds: Caretakers and Dark Hearts. The Caretaker's mission? To use the power of the dead to protect the living. Welcome to Graveyard Wars.

All his life Ethan Noble felt he was different; unstable, crazy. How else to explain his ability to master so many different skills only to have them vanish time after time. All her life Carter Noble has tried in vain to help her brother. Raise him, shield him, understand him. An impossible task, even for a twin, because no matter how hard Ethan tried to explain his behavior Carter was never able to understand and any attempt to enlist help from Sebastian, their father, was met with an icy stare and stony silence.

What all three Nobles will soon learn is that in a world where the secrets someone takes to their grave are no longer safe you need family more than ever. The problem? When Ethan and Carter uncover a web of lies that led to their mother's death they're lead straight to their father.

BATVARK PENIS ONE SHOT

(W) Dave Sim (A) Dave Sim, Gustave Dore (CA) Dave Sim & Various

Parody of the 2018-19 *Batman: Damned* proving that even a low-budget publisher like Aardvark-Vanaheim can do a cheesy knock-off of Neil Gaiman's 1990 *Books of Magic*. All you need is a cast of mystery characters and a title character with "Bat" in his name! Batvark gets a new penis — Michelangelo's David's penis, in fact! — so he can "Go Commando" and have the "fine art defence" for legal cover. Our Mystery characters are Francis Albert! Joe (The Joker Is Wild) E. Lewis! Fractal Gordon Sumner! Common Bloke, English! and The Whore of Babylon in fishnet stockings! The occult has never seemed more cliche-ridden! (STL162170)

THE VAMPIRE OF BLINSH HC

(W) Daniel Pinkwater (A) Aaron Renier

Welcome to the village of Blinsh, Pinksylvania, famous for the many vampires that call it home. With a caring look at this town not so different from our own, we hope the reader will get to know more about vampires and see that they are not so different from you or I. It is true, a certain amount of biting happens, but a nip on the neck may just be a vampire's way of saying, "Hello, let's be friends." This story features spooky (but fun!) vampires, and culminates on Halloween night, with tongue-twisting names and playful illustrations throughout. (STL162148) (C: 0-1-0)

GUANTANAMO VOICES: TRUE ACCOUNTS FROM THE INFAMOUS PRISON HC

(W/A/CA) Sarah Mirk

In January 2002, the United States sent a group of Muslim men they suspected of terrorism to a prison in Guantánamo Bay. They were the first of roughly 780 prisoners who would be held there. Eighteen years later, very few of them have been ever charged with a crime. In *Guantánamo Voices*, journalist Sarah Mirk and her team of artists tell the stories of ten people whose lives have been shaped and affected by the prison, including former prisoners, lawyers, social workers, and service members. KENT STATE: FOUR DEAD IN OHIO GN

(W/A) Derf Backderf (CA) Derf

On May 4, 1970, the Ohio National Guard gunned down unarmed college students protesting the Vietnam War at Kent State University. In a deadly barrage of 67 shots, 4 students were killed and 9 shot and wounded. It was the day America turned guns on its own children-a shocking event burned into our national memory. A few days prior, 10-year-old Derf Backderf saw those same Guardsmen patrolling his nearby hometown, sent in by the governor to crush a trucker strike. Backderf has conducted extensive interviews and research to explore the lives of these four young people and the events of those four days in May, when the country seemed on the brink of tearing apart. The largest retailer in the world requires the best-trained loss prevention staff, and Security Officer Nussbaum defends the company interests at any cost. Life, human rights, rational thought are all secondary concerns. But his world is upended when he finds a society living *under* the retail outlet–a culture that challenges his notions about consumerism and sense of self. Is he ready for the message? Imagine Judge Dredd working for Amazon, and you've got a hint of what you're in for.

From Patrick Kindlon (PATIENCE! CONVICTION! REVENGE!) and Stefano Simeone (CLANKILLERS) comes SHOPLIFTERS WILL BE LIQUIDATED—a satirical take on the consumer society. Volume one contains the whole series, issues 1-5.

KEITH BURNS cover

Both volumes of the WWII aerial combat classic now in one complete deluxe size hardcover edition!

A WAR IS A DIFFICULT THING TO KILL.

The Second World War is almost over, but no one seems to have told the Germans—as Royal Air Force pilot Jamie McKenzie finds out when he's assigned to deadly shipping strikes along the enemy coast.

Flying the Mosquito fighter-bomber against heavily armed targets is dangerous enough at the best of times, but after incurring the wrath of his vengeful commanding officer, Jamie is assigned the most unpopular navigator in the unit—not to mention the least reliable aircraft. Worse still, the commander's sights are firmly set on Jamie's beautiful young wife, Beth.

Writer Garth Ennis (A WALK THROUGH HELL, *Preacher, The Boys*) and artist Keith Burns (*War Stories*) reunite after the success of their series Johnny Red, presenting another tale of World War II aerial combat: featuring skies black with flak and enemy fighters, nail-biting low-level action, and the dark humor of men whose lives can be snatched away at any second...OUT OF THE BLUE.

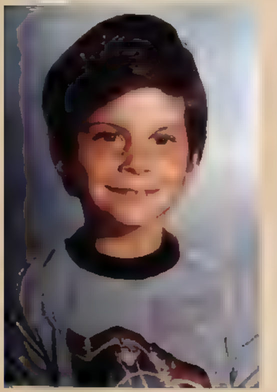
VICTOR CROWLEY'S HATCHET™ HALLOWEEN TALES II

INCLUDES AN ORIGINAL STORY BY HATCHET CREATOR AND FILMMAKER ADAM GREEN!

THE MOST WONDERFUL TIME OF THE YEAR!



Halloween was my first love. The imagery, the costumes, the candy, the haunted attractions, the TV specials, the chill in the October New England air... When I was growing up, my entire year revolved around October 31st. In fact, it was my childhood infatuation with Halloween that lead me to the horror genre, as horror movies helped me keep the holiday going all year long. Given my obsession with the holiday, it's no wonder that when I originally came up with the story of Victor Crowley at age 8, I set his death on Halloween night. After all, All Hallow's Eve is a magical night. A holy night. The perfect night for a ghost story to begin.

I couldn't be more excited to present you with our second HATCHET Halloween anthology issue! Featuring new Victor Crowley stories written by James Kuhoric, Jason Pell, and yours truly... illustrated with the stunning artwork of E.V. Cantada, Alessandro Miracolo, and Alex Hoey... what you hold in your hands is a gift to all Halloween obsessed, lifelong horror fans like myself. No tricks in these pages. Only treats!

Happy trick or treating, Hatchet Army!

For two generations, the rural hill town of Grendel, Kentucky has honored its Faustian bargain with the monster living in its abandoned coal mine: a human sacrifice every season in return for agrarian prosperity the likes of which this rocky region had never before seen (including its greatest cash crop: the dankest weed in the land). When one town elder breaks this pact, Grendel's only hope is that its prodigal daughter will return home to face down the creature of her nightmares—and bring her all-female biker gang with her.

FLEETWAY PICTURE LIBRARY: PIRATE TALES SC

(A) Philip Mendoza & Various
In *The Rogue's Moon* Philip Mendoza splendidly captures the brutality and mendaciousness of cut-throat pirates. Reg Bunn's *Captain Kidd of the Spanish Main* has the feel of good, old-fashioned swashbuckling adventure. In *The Sea Hawk*, Robert Forrest brings the world of the Barbary pirates to fierce, vigorous life. *The Fortunes of Captain Blood* was John Millar Watt's very first adventure strip. Originally published in *Thriller Picture Library* issues 66, 105, 108 and 145, these four tales are rendered by four very different artists. (STL162831) (C: 0-1-1)

FLEETWAY PICTURE LIBRARY: WESTERNS SC

(A) Ruggero Giovannini
All four of the stories in this collection were drawn by the great Ruggero Giovannini and were originally published in *Thriller Picture Library*. Today, Giovannini is mainly remembered in England for the many western, adventure and historical comic strips he drew in a realistic style, packed with plenty of action on each page. His style, inspired by Milton Caniff and Will "Red Barry" Gould, has a way of telling a story which is fast-paced, occasionally using heavy shadows, and accompanied with his quickly rendered, yet effective, inking. REGIMENT: THE TRUE STORY OF THE SAS VOLUME 2 GN

After the disaster that was their first mission, the SAS refused to give up, and their second wave of raids proved a powerful validation of the concept behind their unit. WYOMING DOLL

In the vast, wild expanses of an America not yet tamed by the white man, the entwined destinies of two men and a little girl — a Sioux, a paleface and the little blonde doll who unites them beyond all their differences. Two families en route to Wyoming. An ambush by Crow warriors. A massacre — and two little girls missing. Logan, a young man who served as scout to the small convoy, brings the only other survivor, old Giuseppe, back to civilization, and makes him a promise: he'll find the girls. Meanwhile, Salmon Leap, a young Lakota warrior turned away by the father of the woman he loves, seeks a glorious death — and finds Sharon, one of the two girls. (STL162702) (C: 0-1-0)

Jason McLane, a.k.a. XIII, seems to have finally accepted his true destiny. Tired of fighting the powerful elite who control the world, he has apparently joined them. Of course, he supposedly did so on orders from General Wolf, so as to bring down the sinister Mayflower Foundation at last, but ... what if the temptation of power proved too strong? Janet Fitzsimmons, the Foundation's president, too beautiful? Or the price of integrity too steep for him ... or his friends? (STL162701) (C: 0-1-0)

> "I am a story-driven animal. What fascinated me about comics was the idea that it was a medium in which you could tell stories that you could not tell with other media and that you could use storytelling in a different way. Without Will Eisner, I don't think I would ever have realized that. Without seeing what he could do, what he did with shape, what he did with form. Everything is about people and what happens to them. This is stuff nobody else was doing in comics. Not in a way that I could grasp and get hold of. To me, what Will did was and is timeless."

TRUE BELIEVER: THE RISE AND FALL OF STAN LEE HC

(W) Abraham Riesman

Stan Lee, born Stanley Martin Lieber in 1922, is one of the most beloved and influential entertainers to emerge from the twentieth century. He served as head editor of Marvel for three decades and launched more pieces of internationally recognizable intellectual property than anyone other than Walt Disney. But Lee's unprecedented career was also filled with spectacular failures, controversy, and bitter disputes. Lee was dogged by accusations from key collaborators such as Jack Kirby and Steve Ditko over who really created Marvel's signature characters, iconic figures for whom Lee had always been suspected of taking more than his proper share of credit. A major business venture, Stan Lee Media, resulted in stock manipulation, bankruptcy, and criminal charges. *True Believer* chronicles the world-changing triumphs and tragic missteps of an extraordinary life, and leaves it to readers to decide whether Lee lived up to the responsibilities of his own talent. AQUATLANTIC

By Giorgio Carpinteri
$19.99 / HC / 56 pgs / FC / 8.5" × 12"

Among Atlantis' inhabitants is a comedian who interprets the most indefensible and lowest of low characters: the surfacedwelling earthling. The Aquatlantic society, self-identified as "original humanity," is only able to coexist with its crude "surface brothers" thanks to one condition: that Atlantis is considered a myth. But gradually the cynicism and vulgarity of the "indefensible Earthman," takes possession of the actor, setting off a chain reaction that jeopardizes the peace between the species.

The latest volume in our World Citizen Comics series, Fault Lines in the Constitution teaches readers how this founding document continues to shape modern American society. How Far We've Come in 50 Years!

THE ROAD TO OVERSTREET 50

As I write this, we've just had our second post-shutdown "new comics Wednesday" in much of the country. Support our hobby, your local comic shop, and #BackTheComeback! Stay safe!

As I look back today on the five decades I've been in this business, I suppose it's time to recollect why I started the *Guide* when I did.

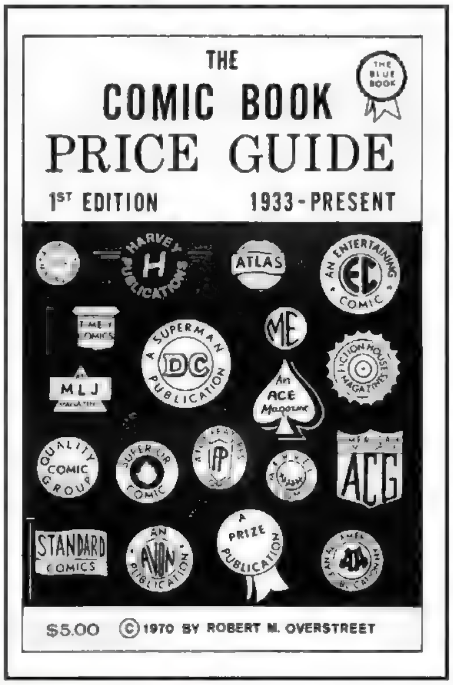
All throughout the 1960s, I had hoped that someone would put out a price guide for comic books – it was becoming very clear that one was sorely needed, and I hoped, at the time, that comics would eventually become a high-value collectible like coins already were.

I didn't know back then that the person responsible for creating a comic book price guide was going to be me.

By the 1960s, comic prices were already escalating. Almost any ten-cent book was worth money. You had the *Rocket's Blast Comicollector* (*RBCC*) coming out and going to all the comic people, and I subscribed to that.

I could see that the market was growing, but there were a lot of details that were basically unknown and there was still a lot to be discovered about comics, and there was no single source of information to go to in those days.

As for my own collection at the time, I was buying everything off the stands in the '60s beginning with *Amazing Spider-Man* #1, so I had all this stuff. I had a great inventory of Silver Age books. When putting together those first *Overstreet Comic Book Price Guide* lists though, I went through every piece of information that I had accumulated up to that time, which was quite a few years' worth of material. I had a lot of price lists, all the back issues of *RBCC*, Bill Thailing's catalogs, fanzines and every other bit of information I had.



THE COMIC BOOK PRICE GUIDE

1ST EDITION 1933-PRESENT

$5.00 ©1970 BY ROBERT M. OVERSTREET

By the time the first *Guide* went to press, I had set up an index card file for every comic title I could find, with information about each book on them.

That first edition of *The Overstreet Comic Book Price Guide* had a run of just 1,000 copies.

The printer who was responsible for publishing the copies would run off the pages, and then bring them over to my house – and then I had to fold them, collate them, and staple them myself! We've certainly come a long way since then, don't you think?

You can pre-order this year's *Overstreet Comic Book Price Guide* #50 right now, through this very catalog you're holding.

I hope you take the opportunity to do so, if for no other reason than to see how far we've come since the age of hand-stapling and index cards!

Now, anyone can devise the perfect comeback with the *Deadpool Comeback Creator*! The best words from the *Deadpool* comics are featured on pages that are split into three individual sections. By flipping each section, you can mix and match words to come up with the most outrageous insults worthy of Deadpool himself — 150,000 possible snarky combinations in all! Each comeback can be chosen at random or customized to fit any situation. Plus, the back of each page takes you inside the mind of the fast-talking merc', explaining why he chooses specific words. BELLE ZEEBUB #1

(W/A/CA) Mario Wytch

From *New York Times*-bestselling creator Mario Wytch comes Keenspot's newest all ages horror humor comic! Belle is your typical grade-schooler, except for an important detail — her mother was an honest-to-goodness angel (like, she literally fell from Heaven!), and her father is B.L. Zeebub, one of the seven princes of darkness. Belle takes after her mother, but her supernatural powers are partly darkness-based, so things tend to go wrong for poor Belle. It's no wonder why her best friend is a zombie that's allergic to human flesh. Together, they all try their best to fit into suburbia... (STL162466)

ANIMAL FARM GN

(W) George Orwell (A) Odyr

In 1945, George Orwell, called "the conscience of his generation," created an enduring, devastating story of new tyranny replacing old, and power corrupting even the noblest of causes. Today it is all too clear that Orwell's *Animal Farm* is still fiercely relevant wherever cults of personality thrive, truths are twisted by those in power, and freedom is under attack. Old Major, Napoleon, Squealer, Snowball, Boxer, and all the animals of Animal Farm come to life in this newly envisaged classic. From his individual brushstrokes to the freedom of his page design, Odyr's authorized adaptation seamlessly moves between satire and fable and will appeal to all ages, just as Orwell intended. Eight years ago an earthquake—the Big One—hit along the Cascadia fault line, toppling cities and changing landscapes all up and down the west coast of the United States. Life as we know it changed forever. But for Vietnamese American Virginia Crane, life changed shortly after the earthquake, when her mother left and never came back.

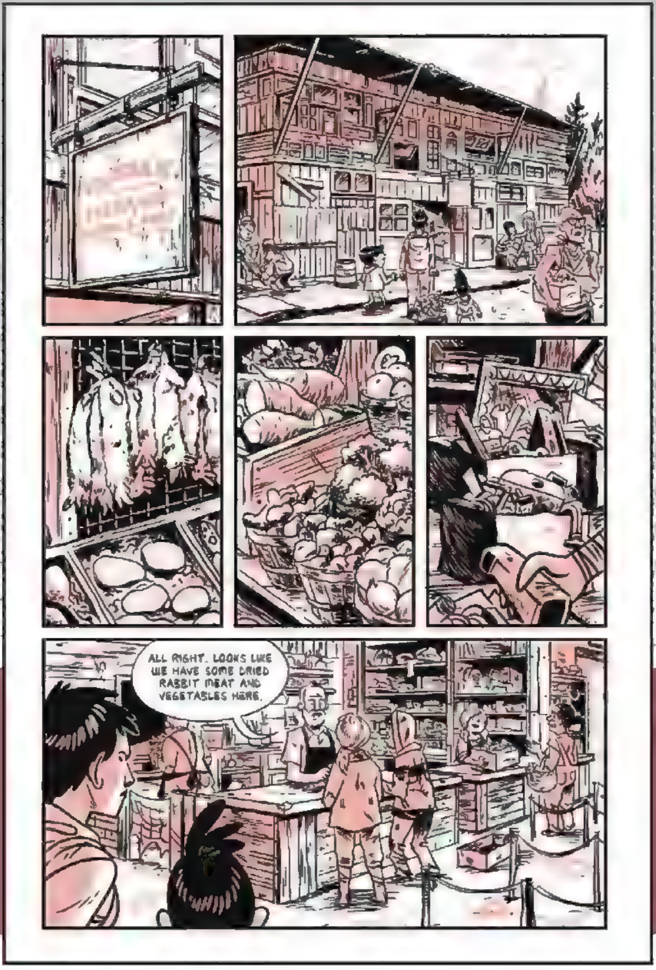
Ginny has gotten used to a life without her mother, helping her father take care of her two younger brothers, Wes and Harry. But when a mysterious package arrives for her eighteenth birthday, her life is shaken up yet again. For the first time, Ginny wants something more than to survive. And it might be a selfish desire, but she's determined to find out what happened to her mother—even if it means leaving her family behind.



ALL RIGHT. LOOKS LIKE WE HAVE SOME DRIED RABBIT MEAT AND VEGETABLES HERE.

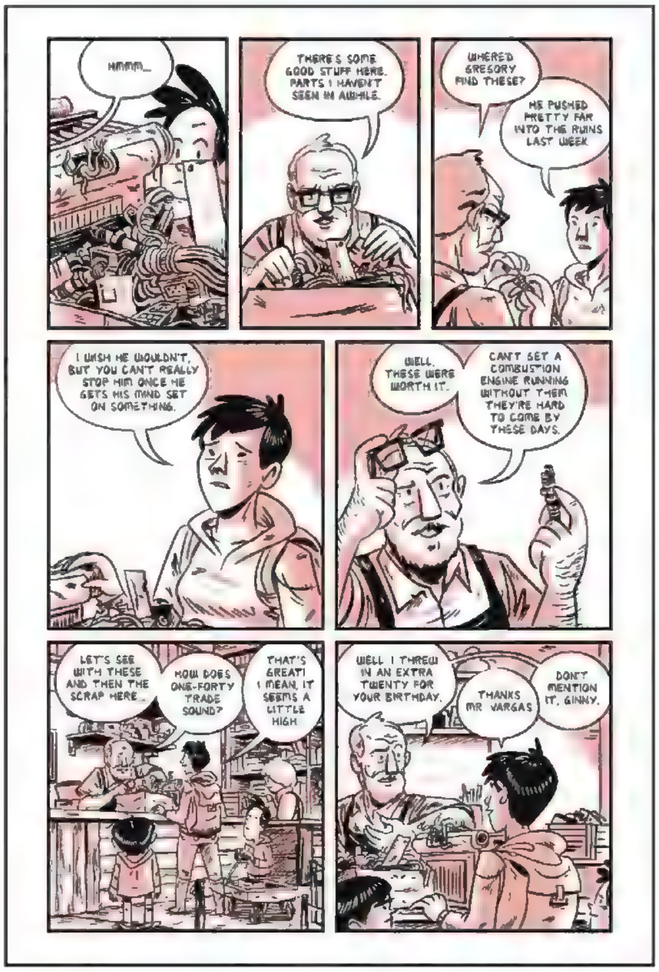
HOW ARE THE THREE OF YOU DOING TODAY?
YOUR DAD WENT WITH MAGGIE AND THE OTHERS TO MEET THE FOLKS FROM CALIFORNIA RIGHT?
YEAH. THEY LEFT A COUPLE OF DAYS AGO.
I ALSO HEARD IT'S YOUR BIRTHDAY TOMORROW. YOU GOT ANY PLANS?
NOT REALLY.
WELL, I KNOW THAT MAYA WANTS TO TALK TO YOU ABOUT TOMORROW, SO MAKE SURE TO SAY HI.
NOW LET'S SEE WHAT YOU KIDS BROUGHT IN TODAY...



HMMM...
THERE'S SOME GOOD STUFF HERE. PARTS I HAVEN'T SEEN IN AWHILE.
WHERE'D GREGORY FIND THESE?
HE PUSHED PRETTY FAR INTO THE RUINS LAST WEEK
I WISH HE WOULDN'T, BUT YOU CAN'T REALLY STOP HIM ONCE HE GETS HIS MIND SET ON SOMETHING.
WELL, THESE WERE WORTH IT.
CAN'T GET A COMBUSTION ENGINE RUNNING WITHOUT THEM. THEY'RE HARD TO COME BY THESE DAYS.
LET'S SEE WITH THESE AND THEN THE SCRAP HERE...
HOW DOES ONE-FORTY TRADE SOUND?
THAT'S GREAT! I MEAN, IT SEEMS A LITTLE HIGH
WELL I THREW IN AN EXTRA TWENTY FOR YOUR BIRTHDAY.
THANKS MR VARGAS
DON'T MENTION IT, GINNY.

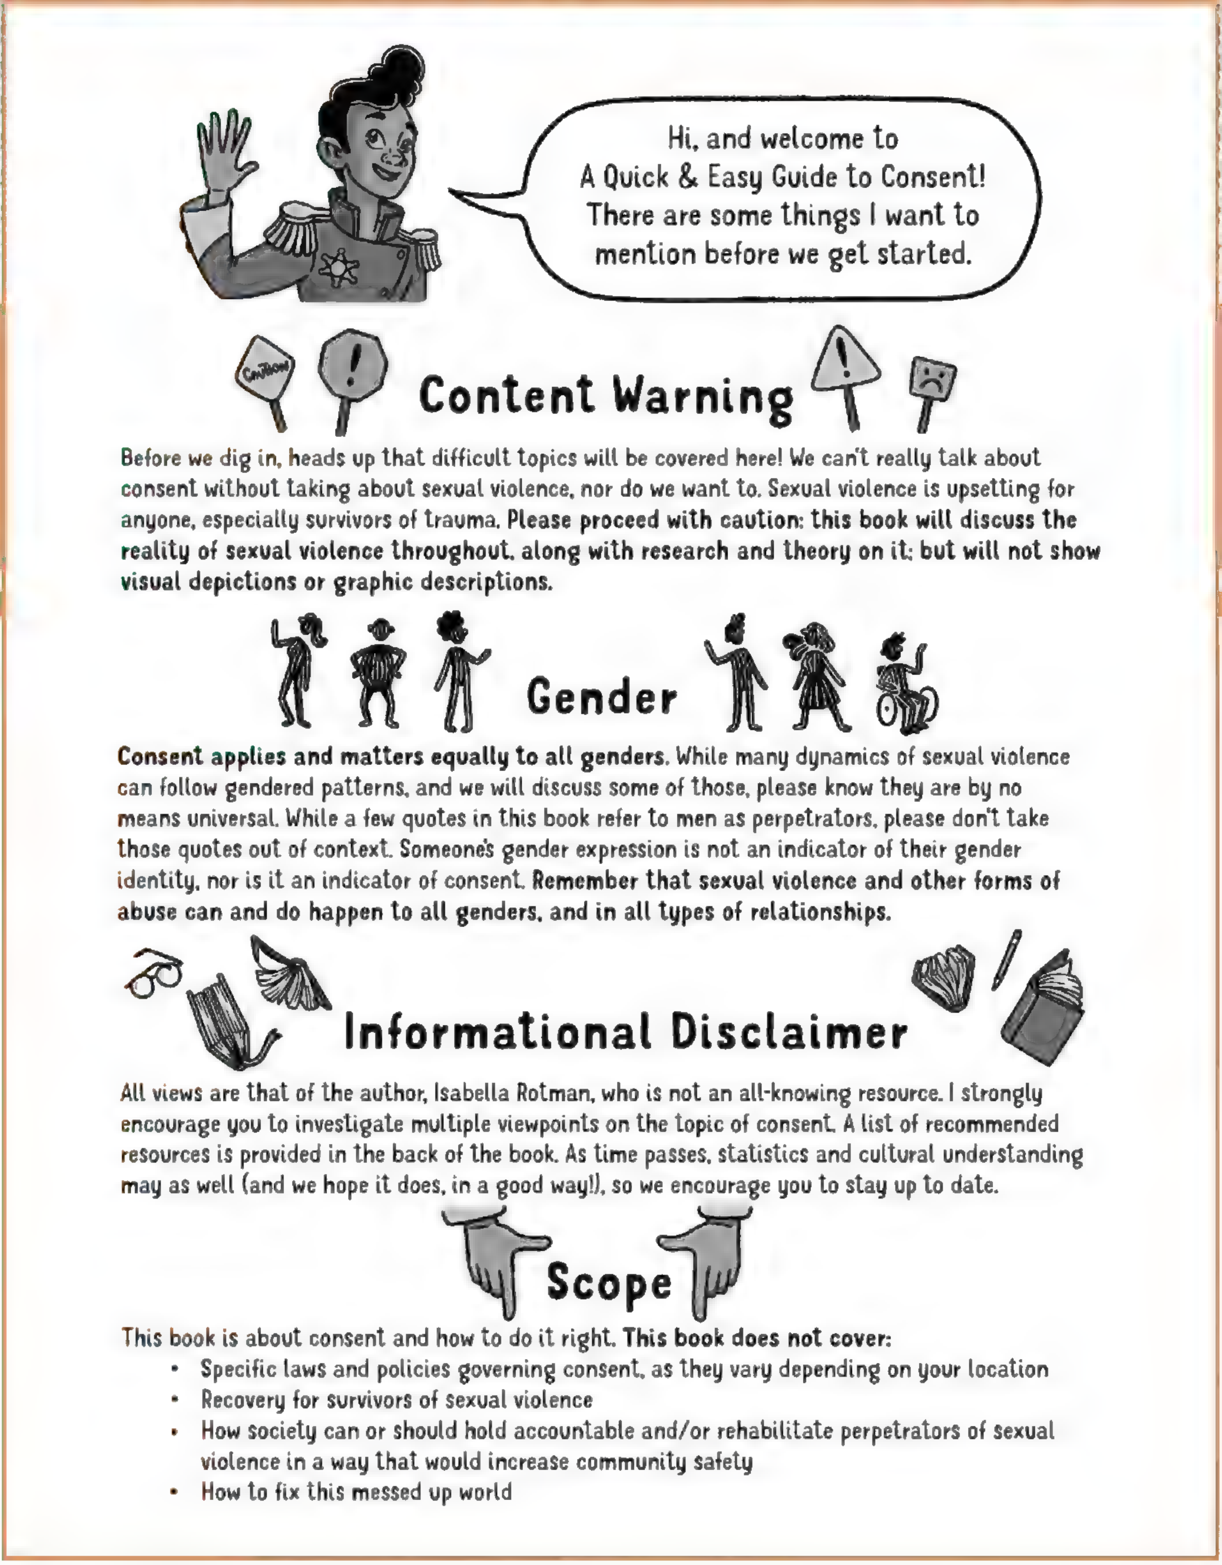
A MUST-HAVE FOR EVERY READER!



Hi, and welcome to A Quick & Easy Guide to Consent! There are some things I want to mention before we get started.

Content Warning

Before we dig in, heads up that difficult topics will be covered here! We can't really talk about consent without taking about sexual violence, nor do we want to. Sexual violence is upsetting for anyone, especially survivors of trauma. **Please proceed with caution: this book will discuss the reality of sexual violence throughout, along with research and theory on it; but will not show visual depictions or graphic descriptions.**

Gender

Consent applies and matters equally to all genders. While many dynamics of sexual violence can follow gendered patterns, and we will discuss some of those, please know they are by no means universal. While a few quotes in this book refer to men as perpetrators, please don't take those quotes out of context. Someone's gender expression is not an indicator of their gender identity, nor is it an indicator of consent. **Remember that sexual violence and other forms of abuse can and do happen to all genders, and in all types of relationships.**

Informational Disclaimer

All views are that of the author, Isabella Rotman, who is not an all-knowing resource. I strongly encourage you to investigate multiple viewpoints on the topic of consent. A list of recommended resources is provided in the back of the book. As time passes, statistics and cultural understanding may as well (and we hope it does, in a good way!), so we encourage you to stay up to date.

Scope

This book is about consent and how to do it right. **This book does not cover:**

- Specific laws and policies governing consent, as they vary depending on your location
- Recovery for survivors of sexual violence
- How society can or should hold accountable and/or rehabilitate perpetrators of sexual violence in a way that would increase community safety
- How to fix this messed up world

Guilt weighs heavy on former criminal "wheelman" Alyson, who led an illicit life that left her shattered. Enter Casper Quellex, an eccentric businessman who offers her the break of a lifetime: a massive cross-country car race that grants the winner an opportunity to correct a single mistake in their life. But here's the catch--each leg covers a different period in history. Just like that, Alyson and the other drivers find themselves in a gut-wrenching race through time contending with medieval warriors, dinosaurs, and natural disasters where they quickly learn that they must band together to form any chance for survival. But for an opportunity to change history, Alyson will drive from the Big Bang to the death knell of the universe.

"Forget worrying about surviving the other racers (competing for the chance to miraculously 'undo' some part of their own past), a trip back to the time of the dinosaurs sets a precedent that makes reading the second issue almost mandatory."

MY CAPTAIN AMERICA: A GRANDDAUGHTER'S MEMOIR OF A LEGENDARY COMIC BOOK ARTIST HC

(W) Megan Margulies

A finely wrought coming-of-age memoir about the author's relationship with her beloved grandfather Joe Simon, cartoonist and co-creator of *Captain America*. The world inside Megan Margulies' parents' tiny Upper West Side one-bedroom apartment was hardly a respite from the chaos outside, with a family of five occupying the 550-square-foot space. Salvation arrived in the form of her grandfather, Daddy Joe, whose midtown studio became a second home to Megan. There, he listened to her woes, fed her Hungry Man frozen dinners, and simply let her be. His living room may have been dominated by the drawing table, notes, and doodles that marked him as Joe Simon the cartoonist. But for Megan, he was always Daddy Joe: an escape from her increasingly hectic home, a nonjudgmental voice whose sense of humor was as dry as his farfel, and a steady presence in a world that felt off balance. My Captain America offers a tender and sharply observed account of Megan's life with Daddy Joe — and an intimate portrait of the creative genius who gave us one of the most enduring super-heroes of all time. PUPPY PROBLEMS
PAIGE BRADDOCK

Crackers is a rescue dog who's a bit on the nervous side, but pretty comfy at home with Butter, a very plump cat who, like all cats, is all about himself. The two pets have a good life: big backyard, nice couch, good eats, and an owner who goes to work every day so they can pretty much do what they want. Enter Peanut, a brand-new puppy with big floppy ears, unabashed energy, and no appreciation for the quiet life. The little dog is a chowhound who dips into everybody's food bowl. He drools, he chews up stuff, he doesn't get how stairs work, and he's afraid of the dark. Butter and Crackers have had it! This puppy has to go! But when the backyard gate is left open (the cat's idea, of course!) and Peanut wanders out and gets lost, the older animals remember what it was like to be alone lonely. How Alex survived has been a mystery. Physically he was fine, minus a few burns, but mentally he withdrew into himself...into his mind. For 16 years, Alex hadn't uttered a solitary word or had a voluntary movement of his own, until now. Those that would use his destructive abilities have been awaiting Alex's awakening. But will Alex be a vanguard for the world or will he be responsible for its annihilation? (STL079335)

ORWELL GN

(W/A) Pierre Christin

George Orwell's most celebrated work, *1984*, and the prescient vision it contains of a society governed by Big Brother predates the constant monitoring of people and data we are familiar with today by almost 70 years. But his life was every bit as fascinating and forward-looking as his books. Orwell studied at Eton, joined the police in Burma, fought in the Spanish Civil War, fiercely opposed Stalinism, and lived in London's slums while working as a journalist. With illustrations by artists including Annie Goetzinger, Juanjo Guamido, Enki Bilal, Manu Larcenet, Blutch, and André Juillard, Pierre Christin's *Orwell* offers readers an intimate yet definitive portrait of our greatest political writer. THOREAU & ME GN

(W/A) Cedric Taling

Some heavy reading on the ecological and climate emergency leads Cédric, a Parisian painter, to question his life choices. In a state of vulnerability, racked with anxiety, he is contacted by the spirit of *Walden* author Henry David Thoreau. As they engage in a Socratic dialogue, Cédric notices striking parallels between the suffocating commercialism of 19th-century America and the unsustainable and alienating consumerism of today. Both societies are shaped by a single priority: economic growth-that squanders the earth's natural resources and separates us from nature. Inspired by Thoreau's return to nature, Cédric begins dreaming of his own retreat from urban life. (STL162132) (C: 0-1-0)

WHEN I CAME OUT HC GN

(W/A/CA) Anne Mette Kærulf Lorentzen

Forty-something Louise is married to Peter, with whom she has four children. They live in a big house, and on paper everything looks fantastic. But Louise has a secret that she barely dares to admit to herself: a burning desire for women. *When I Came Out* is the story of a woman who has met society's expectations throughout her life but finally realizes that she has not been true to herself. From first-time creator Anne Mette Kærulf Lorentzen, this bold autobiographical work addresses personal anxieties about coming-out later in life and documents her jump from a safe, well-established, heteronormative, middle-class life to living openly as a lesbian. MASTERPIECES OF FANTASY ART HC

(A) Michael Whelan & Various

Fantasy art, that colorful blend of myth, muscle and sexy maidens, took off in 1923 with the launch of *Weird Tales* magazine, was reinvigorated in the 1960s with *The Lord of the Rings*, *Conan the Barbarian* paperbacks with Frank Frazetta covers, and the late '60s emergence of fantasy psychedelia. This monster-sized tome features original paintings, contextualized by preparatory sketches, sculptures, calendars, magazines, and paperback books for an immersive dive into this dynamic, fanciful genre. Complete with fold-outs and tipped-in chapter openers, this collection will reign as the most exquisite and informative guide to this popular subject for years to come. (STL158326) (C: 0-1-1)

JAMES OTIS SMITH

BLACK HEROES OF WILD WEST

(W) James Otis Smith (A) Kadir Nelson

This graphic novel by James Otis Smith celebrates the extraordinary true tales of three black heroes who took control of their destinies and stood up for their communities in the Old West. Born into slavery in Tennessee, Mary Fields became famous as "Stagecoach Mary," a cigar-chomping, cardplaying coach driver who never missed a delivery. Bass Reeves, the first black Deputy US Marshal west of the Mississippi, was one of the wiliest lawmen in the territories, bringing thousands of outlaws to justice with his smarts. Bob Lemmons lived to be 99 years old and was so good with horses that the wild mustangs on the plains of Texas took him for one of their own. Available in softcover and hardcover editions. CARTOON DI(E)LECTICS #2

(W/A/CA) Tom Kaczynski

As the planet balances on a razor's edge, the end of the world, our world, is not theoretical anymore. What will it look like? What will it feel like? Only through comics can we hope to understand the next stage of human development. It's the black-pilled, exhaustive, post-crisis, all-apocalypse issue. Explore: extinction events, the nature of nature, and the typical post-apocalypse scenario. An eschatological tour de force by Tom Kaczynski. (STL161222)

GINSENG ROOTS #6

(W/A/CA) Craig Thompson

The stratification, planting, and growth cycles of the ginseng seed parallel the seasons of childhood. Ginseng berries are gathered in the last week of summer, just before school resumes and brings with it the awkward transitions of adolescence, sexuality, and friendship... or a parental decision to homeschool. Before planting, ginseng seeds are doused in bleach and fungicide-a purifying ritual of sorts-like baptism-which Craig and his siblings undergo to be cleansed of sin. (STL161223)

CRITICAL DIRECTIONS IN COMICS STUDIES
EDITED BY THOMAS GIDDENS

CRITICAL DIRECTIONS IN COMIC STUDIES SC

(W) Thomas Giddens (CA) Paul Davies

In this edited collection, scholars from a variety of disciplines examine comics by addressing materiality and form as well as the wider economic and political contexts of comics' creation and reception. Through this lens, influenced by poststructuralist theories, contributors explore and elaborate other possibilities for working with comics as a critical resource, consolidating the emergence of these alternative modes of engagement in a single text. This opens comics studies to a wider array of resources, perspectives, and modes of engagement. (STL162356)

CHASIN' THE BIRD: CHARLIE PARKER IN CALIFORNIA HC GN

(W/A) Dave Chisholm

Charlie "Bird" Parker and and Dizzy Gillespie brought frenetic sounds of bebop from the East Coast jazz underground to the West Coast for a two-month residency at Billy Berg's Hollywood jazz club in 1945. This marked the beginning of a tumultuous two year-stint for Bird bumming around L.A., showing up at jam sessions, crashing on people's couches, causing havoc in public places, and recording some of his most groundbreaking tracks, "A Night in Tunisia" and "Ornithology." *Chasing the Bird* explores Bird's relationship with the people he met encountered during his L.A. sojourn and those found themselves in the orbit of the jazz genius. IDENTITY: A STORY OF TRANSITIONING GN

(W) Corey Maison (A) Ahmara Smith

Corey Maison was born a girl, trapped in a boy's body. Growing up, Corey was more interested in dolls than trucks; in dresses than jeans. Everything about Corey was female... except her physicality. Known as gender dysphoria, this condition is devastating if not acknowledged. But society is slow to be sympathetic to the idea that a person's gender is not entirely based on physiology, but instead is fluid, and a combination of emotional and psychological self-awareness along with, or sometimes more importantly, physical characteristics. With unconditional love and support from her mother, Corey successfully starts the transition process with hopes of being comfortable in her own skin, being accepted by others, and raising awareness of young people who wish to transition. For centuries, the Order of the Secret Circle has lurked in the shadows, reinventing itself for each new generation. It has gone by many names — The Order of the Temple of the East, The Order of Knights, and The Hellfire Club — and it seeks to bend the nine demons of Hell to its will.

In 1912 Allister Crowley took control of Hellfire and attempted to bring the Great Beast under his control. While ultimately failing, the ripples from that dark spell echo to the present, calling forth a new congregation who seek to reform Hellfire and tap into the evil power it promises.

THE GOD AND THE FLIGHTLESS MESSENGER VOL 1

LOVE-x-LOVE
ONE SHOT

MANGA by	**HAGI**
INFO	**TEENS 13+** • $14.99• 288 Pages • 5 x 7.5 • SC • BW R to L
TYPE	**BOYS LOVE MANGA**

Gorgeous art style draws influence from Japanese folklore and mythology to tell a bittersweet, moving story about destined love and finding purpose!

SYNOPSIS

A messenger's duty is to care for and protect the god they've been assigned to. In order to complete these tasks, such messengers require wings. Shin, however, can't fly. His tiny, useless wings make him the target of ridicule and scorn among the other messengers and have kept him from being able to serve a god... until now. Determined to prove himself as a capable messenger despite his flightlessness, Shin accepts his assignment to a mysterious being on one of the nearby mountains. At first, it seems an easy task to keep his charge safe and happy – especially when the deity in question is just a cute, fluffy ball of fur. But things aren't always what them seem. Recently, messengers flying over the strange god's mountain have been disappearing. Even as suspicion mounts against his deity, Shin just can't bring himself to think that such a gentle god could have a dark side. It's strange, but for some reason... the mysterious, fluffy being feels so familiar to him.

TOY TALK: ALTERTON

Toys, Statues and other collectibles don't just magically appear on store shelves. A lot of work goes into the concept, design, sculpting and final production of these items, and many of the people who work behind-the-scenes with companies like Diamond Select, DC Collectibles and Gentle Giant, among others, remain mostly unknown to their appreciative audience: the final consumer.

With *Toy Talk*, we hope to introduce you to the artisans behind some of your favorite collectibles, and to let them enjoy their well-deserved moment in the spotlight!

This month, we welcome *Diamond Select Toys Sculptor,* ALTERTON...

How did you get involved in the toy industry as a designer/sculptor?

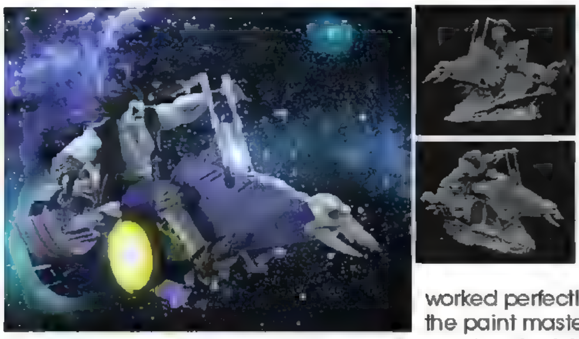
As most of us involved in the comic industry, it was the love to draw comic characters as a child. But the truth is, I was – and I still am – really bad at drawing. When I was in my first year at the university, I found a comic shop near the university building and they had for sale these awesome statues. My mind was blown away, but they were too expensive for my student budget, so I decided to go to an art store, I bought some water-based clay and I used my Masters of the Universe figures as reference to start sculpting my own statues. If I couldn't draw, I was gonna give a try to my sculpting skills!

By that time there was no social media in the internet as today, but we had forums. The Clubhouse Model Forum, was the place to show stuff and talk about model kits and statues and sculpting. It was a great community, and I was able to meet all my sculpting heroes there. Thanks to the forum, I got in touch with a model kit producer and I did a couple of pieces for the garage kit community. I finished my studies, got into orthodontics for another three years of study, and ended up sculpting a Marvel Milestone Thor for Diamond Select Toys! That was it, I told my girl – now my wife – "This teeth thing is not for me."

Take us through the process of how you create a piece? Has your process changed over the years?

My process has changed a million light years. I think I have spent half of my career in this industry working in traditional sculpture, and half of it working in digital. And trust me, digital is far beyond a dream! The appearance in the industry of Zbrush was a game changer, a miracle... Back in the ol' days of traditional sculpting, I used epoxy putty, which is one of the most complex sculpting materialz to use – a piece used to take like a month or month and half to be finished since the reference art was sent to me. I had to build a little photography studio to send turnaround pictures of the sculpture to send to the companies. Then it was like another month or so back and forward with modifications, and then another month or so to wait for the licensor holder to approve the final prototype, and then it took a couple of weeks of shipping time to get from my workshop to the company.

Maybe because I don't have a traditional art education background – I'm a self-taught guy – the moving process from traditional to digital was not traumatic at all. I fell in love with Zbrush at first sight. To discovered it, to learn it; it was one of the best choices I made in my professional time. I don't miss traditional at all, in fact, I don't know how I was able to work with that putty to begin with it.



You have sculpted several Gallery PVC dioramas for Diamond Select Toys. Tell us more about creating a deluxe piece like the new DC Gallery Lobo Statue?

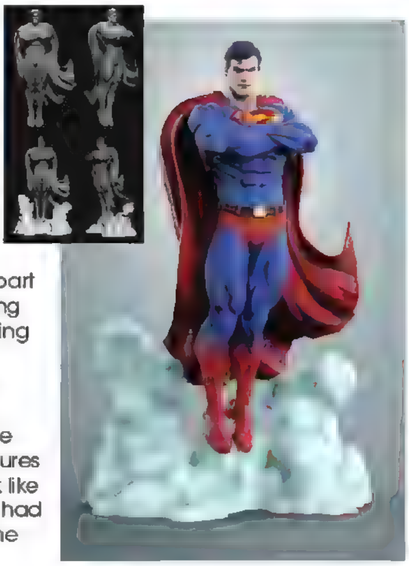
To work on this Lobo statue was an awesome ride. And it started with a great design done by Caesar. I really liked the "main view" of the design, as it was not a straight front shot of the character or a side view of it. It was a maliciously ¾ view with Lobo's head appearing in a forced perspective right below the motorbike handle and his right arm. Half of his bike was covered by dust and smoke from the "speed" effect to reduce the size of the final piece. Masterful!

The most challenging part was to not make the bike too big for production and cost reasons, or too small to look accurate to the comic pages design. Chuck Terceira and Jean St. Jean's directions came in to achieve the right size for it, and in my opinion, it worked perfectly! I sent the file ready for 3D printing to Jason Wires Productions; he also took care of the paint master for promotion and as a reference for the factory in China. He did an amazing job, a spectacular job. The way he figured it out how to paint the turbines fire effect is beyond perfect, you can feel with his paint app that the engines are fully functional!

Superman is arguably the world's most iconic superhero and now you've sculpted him for the DC Gallery line. Talk about this sculpt and his iconic pose?

This was a very personal project, as I not only sculpted it, I also designed it. That's not too common in the industry, as we, the sculptors, are usually sent the reference art to base the pieces on. From time to time, between my freelance gigs, I like to do the versions of the characters I feel are most iconic, or that best represents the characters according to their comic story. And I show them to the companies I had or have a work relationship. Sometimes the pieces got picked to be released as part of a line; sometimes not. That's how, back in my traditional sculpting days, I offered DST a Magneto I did on my own and ended up being released as part of the Marvel Milestones line!

So, this Superman was a similar case: I was waiting for approvals from a couple of pieces I was doing for DST, so I decided to do a Superman the way I always imagined he should look. I studied the references, made the model, took a few turnaround screens captures of it, and did a colored render version to show how he would look like if it was a "real" statue; and sent everything to Chuck Terceira. As I had done several DC and Marvel Gallery pieces, I made Supes to fit the DC Gallery Diorama line. And that was it!



Finally, tell us what is your favorite part of the toy design process?

My favorite part... well, I love everything!!! It is like living in a world inside a world. Since I get the "hey man do you want to do this character for us?" email, to starting everyday turning on my computer to get my hands on a piece and going to sleep thinking how can I improve it, to the interaction with the art directors, to the anxiety of the reviews and the licensor approvals, to see the final piece ready to hit the market, to think how it is gonna be displayed by fans who spent their hard earned money in something we put our hearts on. I love everything. EVERYTHING!

SPAWN IS UNLEASHED IN MCFARLANE TOYS' NEW *MORTAL KOMBAT* FIGURE

Todd McFarlane's dark anti-hero Spawn joined the roster of characters in Warner Bros. Interactive Entertainment's *Mortal Kombat 11 Kombat Pack*, the latest iteration of the long-running video game series. Based on his appearance in the game, McFarlane Toys' *Mortal Kombat: Spawn with Mace Action Figure* features a brilliant sculpt, a mace accessory, and 22 points of articulation so you can pose the 7-inch figure in a variety of fighting positions. Perfect for video game fans and comic collectors, the McFarlane Toys *Mortal Kombat: Spawn with Mace Figure* will look fantastic in your collection!

YOU CAN ALMOST HEAR TAMASHII NATIONS' NEW FIGURE WHISPER "I'M BATMAN"

Thirty years ago Tim Burton's *Batman*, starring Michael Keaton as the costumed vigilante of Gotham City, became one of the biggest films of all time and kicked off a summer of "Batmania." Tamashii Nations celebrates Keaton's memorable performance with the *Batman 1989 S.H.Figuarts Figure*. Equipped with his grappling gun, Batarang, and support rods for his cape, this Batman figure can be positioned to recreate action scenes from the film, such as his rooftop fight with some crooks or his street battle with the Joker's gang. Fans of Burton, Keaton, or Batman in general will want to add the Tamashii Nations' *Batman 1989 S.H.Figuarts Figure* to their collections!

OLDER, SLOWER, BUT STILL A FORCE TO BE RECKONED WITH – OLD MAN LOGAN IS DIAMOND SELECT'S NEWEST STATUE

In a post-apocalyptic future, the mutant formerly known as Wolverine tries to live a peaceful life as a farmer. From the acclaimed "Old Man Logan" storyline by Mark Millar and Steve McNiven comes the newest statue in Diamond Select Toys' *Marvel Premier Collection* statue line, a 9" tall statue of Old Man Logan himself. His hair has gone gray, his face is lined with age, but beneath his jacket and jeans the muscular physique of the mutant who was "the best there is at what I do" is clear, as are the claws extending from his right fist. Still dangerous, this is a man you don't want to cross, and the *Marvel Premier Collection: Old Man Logan* Statue designed by Shawn Knapp and sculpted by Mat Brouillard will make a fantastic addition to any Marvel collection!

MILES MORALES' LEAPS INTO ACTION WITH A Q-FIG DIORAMA

After the death of Peter Parker, Miles Morales became the Ultimate Spider-Man -- different costume, same powers, same drive to be a hero. Quantum Mechanix's *Marvel: Spider-Man Miles Morales Q-Fig Elite Diorama* is a beautiful piece of Miles in costume, his school backpack strapped to his back, his headphones flying, leaping over a midtown New York chimney. Fans of the character from comics or those who discovered him through the animated film *Spider-Man: Into the Spider-Verse* will love this statue of Miles in action!

THE FORCE IS STRONG WITH FUNKO'S STAR WARS: THE MANDALORIAN POP! FIGURES

Disney+'s *Star Wars: The Mandalorian* was a bona fide hit on the streaming platform, in large part due to its surprising co-star, the Force-sensitive alien of Yoda's race known as The Child! Funko brings fans of the television series two new versions of the Child in their POP! figure line – the *POP! The Child With Cup Vinyl Figure* depicts him with his bowl of soup while the *POP! The Child with Frog Vinyl Figure* depicts the Child attempting to swallow whole a frog almost as big as he is! Each 3 3/4" tall figure features Funko's stylized design and comes on a *Star Wars*-themed base!

BUILD A *FINAL FANTASY VII* COLLECTION WITH SQUARE ENIX'S FIGURES

Nearly twenty-five years ago its original release, *Final Fantasy VII* returned this spring with Square Enix's long-awaited *Final Fantasy VII Remake*, recreating the original PlayStation game for modern consoles. The characters of the game, including Cloud, Sephiroth, Aerith, and Tifa, are brought to life with the *Final Fantasy VII Remake Play Arts Kai Figures*. These figures stand 10" tall or more, and each features a realistic sculpt based on the new CGI models. No fan of *Final Fantasy VII* will want to miss these!

TRANSFORMERS MASTERPIECE MP-39+: SPINOUT FIGURE

Autobot Spin-Out joins the *Transformers Masterpiece* line! *Masterpiece MP-39+ Spin-Out* is a red redeco of MP-42 Cordon, which itself is a retooling of MP-39 Sunstreaker, transforming into a licensed Lamborghini Countach LP500S mode, only without Cordon's police light-bar. The toy is an homage to the original Diaclone iteration of the original Sunstreaker toy; his license plates reading "CR-01" in reference the original mold being the first Diaclone: Car Robot toy. The rear electronic propulsion engine cover can be folded into the rear of the car for a more realistic alt mode, and the rear combination tail-lights can be switched between realistic and cartoon modes. The doors and hood open, and the front headlights can be popped up. His rear spoiler can also V-wing to reval a rear-mounted (non-firing) blaster. To preserve cartoon accuracy, the windows on the chest are "fake," however the main panel of the chest is formed by turning the roof of the car mode inside out, with the extra windows folding out from inside.
